

**OUTDOOR POPUP SALE**  
**@ 17501 Shenandoah Court, Ashton, MD 20861**

**September 25th & 26th, 2021**  
**11:00 a.m. - 4:00 p.m.**

Dear Friends,

Considering that the covid virus is still causing havoc despite all efforts to vaccinate as many folks as possible, I decided to have another outdoor popup sale this year. Masks are welcome but not required, but please maintain social distance.

As for new pottery, I am still carving in clay. The patterns created by the carvings inspired me to make new clay baskets with colorful wire handles. I also made salt cellars with standard clay and wire knobs. Furthermore, there are new mugs, lidded casseroles, oval serving trays, butter dishes, large and small bowls, small Hershey-kiss-shaped bud vases, and more. In other words, I was busy creating – my own way to find inner peace in these turbulent times. Please visit my website ([www.binepottery.com](http://www.binepottery.com)) and/or my Facebook page ([www.facebook.com/binepottery](http://www.facebook.com/binepottery)) for more info and photos of my work.

Artist and weaver Joe Buriel will again join me in exhibiting his beautiful scarves, placemats and kitchen towels.

Hope to see you & that the sun will be out – Sabine

***PS: All proceeds of the pottery sale will be donated to the Manna Food Center. You may pay with cash or check for pottery.***
